Absorb Anywhere has been an incredible asset for us. It's popular with both trainers and trainees because it's so seamless and easy to use. It's really taken our entire online training experience to the next level.

Peter Furnish - Director  
Retail Experience for  
**Virgin Mobile Canada**

After looking at over 20 Learning Management Systems we came across Absorb Anywhere and knew instantly that this Learning Management System would be the solution of choice for providing training to our tens of thousands of members.

Dean Starkey - VP  
**National Academy  
of Sports Medicine**

We have been using Absorb Anywhere for over 4 years to distribute training programs to over 5,000 corporate clients. The ease of use, combined with exceptional customer support, has been the core of our successful e-Learning division.
